FILING OF AN INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.97(c)

This statement is being filed under the provisions of 37 C.F.R. §1.56 and §1.97(c), for consideration by the United States Patent and Trademark Office, prior to the granting of this patent. Their inclusion herein should not, however, be construed as an admission that any particular cited document is effective prior art or that it discloses or renders obvious any aspect of the claimed invention. A copy of each cited document is enclosed, except for the US patents and publications. This statement is being filed under the provisions of 37 C.F.R. §1.97(c), before the mailing date of a Final Office action or before the mailing date of a Notice of Allowance, along with authorization to charge the \$180.00 fee specified in 37 C.F.R. §1.17(p) to the Deposit Account No. 19-2570.

In order to simplify the number of references and reduce duplicative submissions listed in this Information Disclosure Statement, and accompanying PTO 1449 form, Applicants have prepared a summary of corresponding US Patents and/or publications to their respective WIPO Publications. It should be noted that Applicants only list a representative number of the corresponding US Patents and Publications on the PTO 1449 form and do not assert that this is a full and complete listing thereof. As US patents and publications are no longer required to be submitted, copies of these do not accompany this response. Should the Examiner wish copies of these patents or publications please advise the undersigned at the number indicated below.
